Natural Resource Center

Teachers and staff continue to work with LeeAnn Mikkelson from Oregon Natural Resource Education Program at Oregon State University. LeeAnn has been a huge support to our district moving towards a Project Based curriculum and her expertise is very much appreciated.

Teachers and support staff at the elementary building have started planning for various gardening activities and fundraisers. Miss Mardell will be sending home more information to parents on this.

Teachers and support staff at the secondary building have been working on Project Based Learning. They have been involved in various ventures down at the Natural Resource Center.

On Earth Day, both building were busy with outdoor projects. The elementary students were visited by the "Tree Lady" and they learned to make paper. They also did grounds cleanup along with creating signage for littering and recycling.

Butte Falls School District is an equal opportunity employer and education provider.
