

The Secondary students spent the morning at the N.R.C. doing grounds cleanup and building Trails.

At this time the district still has not received any news about the federal houses that continue to just sit there. Our students have come up with very creative ideas on what we can utilize them for. If you are interested in learning more, please contact Mr. Sixta at the secondary building.

Charter School Grant News

Grant committees continue to work together on tasks and are making significant progress on goals. The district will be receiving a Federal Site Visit on April 29th and 30th. This visit will involve meeting with staff, students, parents and partners, along with extensive data collection. The visit is a standard part of the requirements of the grant of the Charter School Program through the U.S. Department of Education.

If you have any questions please contact:

Lindsey Miller

CSP Grant Project Director

Other Updates

Needed: Portfolio Panel Members!

June 4-7 and June 11-13

If you can spare just a few hours, this is a guaranteed rewarding experience. See the students at their best, showing off their schoolwork and preparing for their future. Our schedule is flexible to accommodate your needs. You can volunteer just a couple of hours, or stay longer to enjoy more students. We are proud of what the students in our small school accomplish. Come and learn about our upcoming real-world successes. Contact the high school @ 541-865-3563 if you are interested.

**Butte Falls School District will be closed
May 25th for Memorial Day.**
