

Community Partnership for Revitalization (CPR)

Notes from April Meeting

Five people attended the CPR Meeting held at the Community Center at 7:00pm April 9, 2015. Meetings are held the 2nd Thursday of each month at the above time and place. All are welcome! If you have questions or comments contact Linda at 541 865 3682.

Code Enforcement/Clean-up. Sarah reported that, in general, people seem to be taking the Codes seriously and are instituting their own clean-up procedures. Some tickets have been issued and people are working to be in compliance.

Five people attended the clean-up in the park (it was held on Easter Saturday). The tennis court and the playground were cleaned. A swing needs replacement in the playground and we will see about replacement. The next clean-up will be painting of the posts forming boundaries for the park and several things that need painting in the playground. The fixed date of the first Saturday for clean-ups may have to change just for May. Sarah will announce the May clean-up date with flyers on the various bulletin boards around town.

Rails-to-Trails to Medco Ponds. Carol announced that we have procured the map for the old railroad line. Our next task is to identify property owners and see if they would be open to giving an easement for a Rails-to-trails project. Let us know if you would like to help on this project.

BUTTE FALLS FRIENDS OF THE LIBRARY

**2 big events on the "Third Thursday"
for the month of May on May 21st**

"pay what you can" Book Sale 12-5pm

**& Smokey the Bear will be arriving at 1:30 to
