

Gardening

The Butte Falls Charter School is excited to announce this Ground Breaking news!!!!!!

We will be starting a School/Community Garden!! The Staff and Students are looking forward to digging, planting, learning and supplying our cafeteria with fresh veggies as a result of our hard work.

We have the funding, the space, the enthusiasm and the time. What we need is your help!! We are asking for volunteers to help us make this project a success. Please let us know if you can spare some of your precious time to turn our dream into a reality. We will be compiling a list of people willing to do so.

If you would please let us know your availability by checking a box below and returning it to the Elementary School office, 541 865-3563 ext 2, we will then be able keep you updated on what and when things are needed.

Again, we are so excited and looking forward to hearing from you.

Thank you in advance from our Students and Staff!!!
