The Loggers started practice in late August, with Head Coach Darren Kinyon and his assistants Chase Ellis, Travis Myers, and Jared McGonagle. Eventually they brought on another assistant, Josh McGonagle to help with the defensive team. The Loggers first game was on September 5th against The Prospect Cougars, taking the win in a 36-20 game to start the pre season.

Butte Falls continued on to win against Elkton with a final score of 74-12, taking another victory they head into a game against Powers which unfortunately did follow the same outcome with a 52-8 loss. On October 30th the Loggers play the North Lake Cowboys in a crossover game to end the season.

The Team had 17 players this year with a total of 6 seniors, Aidan Cool-Hunsaker, Luke (The Professor) McGonagle, Wil Bateman, Collin Stephens, Mike McNabb, and Matt Palomino. Jordy Gorman and Calbie Stockfleth helped from the sidelines.
