A COMMUNITY NEWSLETTER PUBLISHED BY THE  
LANDING & THE BUTTE FALLS SCHOOL DISTRICT

## PROMOTING COMMUNITY AFFILIATION AND CIVIC RESPONSIBILITY

Keeping The Landing active and meeting it's mission to serve the community of Butte Falls and its surrounding residents will continue to be a goal of the Butte Falls Community School Partnership. The Board has updated its original mission statement to the one you see above. Board members are all local volunteers who not only oversee the activities at The Landing but also donate time to making sure that the building itself has the things it needs to be a pleasant place for members to gather.

Generous Grants from several local foundations help us to fund some of our key programs. Our Food Pantry works in partnership with **ACCESS** which collects and distributes excess food donated by local merchants. We also purchase food we need to present a more balance nutritional diet. This year a grant from the **Robert and Frances Chaney Foundation** has generously provided funding for food in our Food Pantry.

**The Cow Creek Umqua Indian Foundation** has long been a supporter of programs for children at The Landing. A grant from Cow Creek received last month will pay for salary, supplies and part of the overhead costs associated with activities for children after school hours. **The Carpenter Foundation** is currently helping to support basic expenses to keep our Preschool children engaged 4 days a week during the school year and 3 days during the summer months. They too have been consistent supporters of proگرامing for our children.

Thank you to these generous Foundations for their help funding these essential programs. Basic overhead such as electricity, water, garbage collection, sanitary and office supplies continue to be paid though donations and memberships to The Landing. If you haven't seen The Landing recently, drop by. Community donations helped us install a new rug and furniture in our gathering area. The building feels warmer and looks more inviting. If you have ideas for activities or improvements, our Board Meeting are on the 3rd Wednesday of the month at 2:00 PM.
