

# Butte Falls Charter School News

On April 21, all the middle/high school students hosted Earth Day lessons for the elementary school. The elementary classes rotated amongst stations designed by each middle/high school class.

The seniors helped younger students design beautiful t-shirts with leaf designs.

The juniors led the students into the stream to study riparian areas and macro-invertebrates.

The sophomores had a station for identifying trees.

The freshmen had each class adopt a tree.

The 8<sup>th</sup> graders designed and helped students through some challenge fitness activities.

The 7<sup>th</sup> graders put on a scavenger hunt.

Elementary teachers were impressed by the variety of activities and thought the younger students had a great time.

On April 28, the staff hosted an Open House that attracted over 70 new people to come and check out our school for next year enrollment. After touring both schools, participants were invited to a hot dog roast down at the Natural Resource Center.
