Dear Parents/Guardians,

I can't believe it's already August and school is just around the corner! We are all so looking forward to having all the students return to school and seeing their smiling faces.

Our bus drivers this year will be Steve Harvey, Dave Azevedo (Grandpa Dude), Mike Bateman & Marc Ellis.

For the most part bus routes will be the same with a few adjustments, one of them being adding a Shady Cove pickup/drop off point.

I will be sending updated schedules out to all parents prior to the school year.

Please keep in mind that the schedule is based on all students riding the bus. Times will vary if the driver does not have to make all of the stops.

Also, for those utilizing the evening activity runs, please keep in mind that these are provided as a courtesy for students and parents. There may be times that we will be unable to provide them due to lack of busses or drivers. We will contact the program director in advance to let the students know.

Transporting your student(s) safely and in a timely manner is our top priority.

If you have any concerns or questions regarding times, you can contact me at the district office, 720 Laurel Avenue, or call 541-865-3563 ext. 5, or jfreeman@buttefalls.k12.or.us

Thank you.

Julie Freeman, Transportation Supervisor
