

## AS I SEE IT!

It is with great sadness that I am writing the column this month. Our community has lost a very beloved person. Linda Azevedo, "Grandma Dude" or as I liked to call her, Friend, "went home" on September 10th.

Linda was a tireless volunteer for our community. If she wasn't at The Landing directing the Food Bank, she was taking money at the school for games, she was helping our volunteer Fire Department or was the President on the Landings board. At her memorial in the park on September 24th, people of all ages and economic status stood and talked about how she had touched their lives. One can only hope that we have left that type of legacy behind us and left footprints on many hearts!

I will miss you Linda.
