Many New Kids for the Small School in Butte Falls

Amber McCann

Sept. 12, 2016

NEW KIDS FILL THE HALLWAY AT BUTTE FALLS HIGH SCHOOL. Many new kids have come to our school. It's been kind of a struggle getting from class to class. It also has been a good thing for the school because more kids the better it is for the school just too much for the school building.

It was kind of a shock with so many kids all in one small building because last year you could almost walk through the hallway without bumping into anyone. Now it's like you're bumping into everyone making it hard to get to class on time. Especially when I'm trying to get to my math class it's such a struggle getting to class because I have to walk through the 7th and 8th graders hallway where most of the new kids are and they are waiting to get in their class.

It also has been a good thing I'm sure for the school since we don't have a high school football team and lost some kids because of this who are now going to different schools to be able to play football so it's a good thing that we got new kids to keep the school going. Thankfully we still have our little classes, unlike most schools, and I like that.

NOVEMBER EVENTS

- 11/14 Begin HS Basketball Practice
- 11/14 Begin MS/HS Wrestling Practice

- 12/9 HS Basketball X-Over Tourney 4:30
- 12/10 HS Basketball X-Over Tourney 12:00

How Was the Middle School Volleyball Season?

By Ally Kirkpatrick

The girl's middle school volleyball season did not go as good as we hoped. The girls did win their last two games. They also won at the Round Robin event, but they only won the second game against Prospect. Roni Burg our coach agreed with us that our practices went a lot better than most of our games. We had practice Monday-Thursday from 4:30 to 6:00. The girls that played on the team were:

- Andi Sparks #1
- Ally Kirkpatrick #2
- Tristyn Hoover #3
- Ady Ascher #4
- Koral Mauigoa #7
- Konner Esplin #9
- Shaylin Dortch #10
- Rebecca Misfeldt #11
