

## AS I SEE IT!

Wow! It's been a long month, with many things happening. Some good and some not so good. I am saddened by the thefts that are happening in our area. Cory Hamann (Sugar Pine Café) would really like her wheelbarrow back. I hope that all the persons who are responsible for the theft at the Lozano ranch are brought to justice and that the items are recovered. These are both families that have helped numerous people in our community and do not deserve to be treated with such disrespect!

The highlight of my month was when I was talking to my two youngest grandsons, 5 year old Kaelob and Tommy who is 6. We were discussing how old I was going to be on my birthday (59). Tommy's response to me when I told him was "Are you going to die? I will miss you." Its all about perception.

I hope that you and your valentine have an amazing month, and that we spread the love around to our community. Please check on your neighbor and watch out for any unsavory happenings!

"I don't understand why cupid was chosen to represent Valentines day. When I think about romance, the last thing on my mind is a short, chubby toddler coming at me with a weapon." (anonymous)
