To Everyone!

We need your help to spread the word! The **Butte Falls** Library is offering a summer reading program to the children of our community to encourage them to read for pleasure during the summer and to retain their reading skills. This year's theme is 'Build A Better World !'. It begins as soon as school is out and is over on August 6, 2017.

To add to the fun and to create a sense of challenge that will keep kids reading, we will offer incentives and contest prizes at various times during the summer.

So come on over to the library and sign up!

On July 18th, **John Jackson from Bugs R Us** will visit with his "**Owls**" program at 11:00 am. Come and have fun taking apart an owl pellet and see what it has been eating!

July 27th at 11:00am will be the teen program. Rock painting and making a rock sculpture.

Please come and enjoy these family programs offered to you by your local Butte Falls Library.

Sincerely,

LeeAnn Pierce

Butte Falls Library Branch Manager
