Food for Fines ~ Fine Forgiveness

Avoiding the library because of fines or fees? We want you back!

FOOD FOR FINES—If you've lost library materials or have unpaid overdue fines, you can get a fresh start with Food for Fines. For every can or package of non-perishable food donated, \$5 in fines will be forgiven, without limit.

FINE FORGIVENESS—Return your overdue library book, CD, or DVD during the month of June, and the Library will forgive all fines and fees for that item, also without limit.

Forgive your Fines, Feed your Neighbors, Use your Library!
