

**BUTTE FALLS SCHOLARSHIP FUND
P O BOX 164
BUTTE FALLS OR 97522**

The Butte Falls Scholarship Fund has been in existence since 1965 where every year scholarships have been given to qualifying Seniors of Butte Falls High School to assist in their secondary education.

Each of the members of the current committee have been members for over a decade, some close to two decades. Each year we hold annual fund-raising activities (The Fourth of July Hot Dog Booth and The Silent Auction/Soup Luncheon at the Christmas Bazaar) to raise funds for these Seniors.

The community and businesses have been a tremendous support to this Fund year after year supporting us to raise money for our Seniors and we are forever grateful to you.

With much thought and consideration, the committee has decided to disband. This was not decided lightly. Each member has consistently given their time and hard work selflessly and voluntarily, and gladly done so. In fact, we all love doing this for our future leaders.

We have for some years tried to recruit new reliable members, and as you know, in our busy lives, it is hard find someone who can dedicate that kind of time.

It is our goal to give scholarships for the next two years but we will no longer be holding fundraising events. If you, as a nonprofit organization or school related fundraising event are interested in the Fourth of July Hot Dog booth, Silent Auction and/or soup luncheon, please contact the Active Club.

Again, this committee sincerely thanks the support of this community and community businesses as well as others for supporting this organization to further the education of our high school Seniors, and ask that you in return support us in this hard decision.

Sincerely,

The Butte Falls Scholarship Fund
