

COUNCIL NEWS

This year the Town is launching a new program. This program aims to recognize properties within Butte Falls City limits that are well kept and a gem to our community. Homes that are free of outdoor clutter with well-maintained yards; picturesque with colorful flowers. This month starting April 1st – April 10th we invited town members as well as our nearby neighbors and business to participate in the nominations. Submissions must be received by the 10th of the month. This allows for the selection, and preparation to announce the winner in the following month bulletin. Town hall will have a box on the counter where you can place your submission. Weather permitting; we will start to select one nominee a month. The selection will run from May through September. Winners will receive recognition with a yard sign visible for others to see, a picture in our town paper showing your lovely home and a \$25.00 gift certificate. Council members and town staff are not eligible to win.

TOWN BEAUTIFACATION

As part of our plan to increase town pride, this spring we will be hanging beautiful flower baskets from our park light poles. They will hang on the Broad Street side. We encourage any and all citizens, especially those that live on the main street corridor, to consider sprucing up their yards with colorful foliage (who knows, you might get nominated for an award) we also encourage those of you with green thumbs and extra flower bulbs, to consider donating them. This year we will focus on the park and hanging baskets. Next year we will consider strategically placing planter boxes along the Broad Street corridor. This is a community effort and any help, supplies, ideas or suggestions would be greatly appreciated. We welcome those of you that live outside of our community to join in as well. You can contact us through Town Hall, attention Anna Huerta or Trish Callahan. We have a gem of a community here, let's all do what we can to keep it up!! If you see trash, pick it up. If you smoke, put your cigarette butts somewhere other than the ground. Ever little bit helps!!

DID YOU KNOW.....?

City Hall has a big supply of "The Truth about Drugs" pamphlets. These are very informative, short and simple to read. Best of all they are FREE. They cover subjects like: painkillers, ecstasy, LSD, crack, alcohol, prescription drugs, inhalants, Ritalin, marijuana, crystal meth, heroin, cocaine, and a few others.

We thank you so much in advance for taking the time to help make our little community so desirable. With the increased cost of housing, it's our hope that folks from near and far would want to come and join us!!

Yours Truly,

Anna Huerta and Trish Callahan
