

COUNCIL NEWS JULY 2019

We have launched our new recognition program. This program aims to **recognize** properties within Butte Falls City limits that are well kept and a gem to our community. Properties that are free of outdoor clutter and present well-maintained yards, qualify for recognition. Our **July** recognition recipients are **Dean and Karen Furlong** at **825 Redwood Ave.** Drive by and take a look. You will note the **Butte Falls Pride Recognition yard sign** in their lovely yard. This month's recognition gift is generously donated by **LOWES**. Thank you so much **LOWES** for your donation of a hanging succulent porch planter and an outdoor temperature thermometer. **CONGRADULATION'S DEAN AND KAREN!!!!** **THANK YOU FOR THE PRIDE YOU TAKE IN YOUR HOME!**

Nominations are now open for August recognition recipient. We had 13 nominations for July. **It is very important that you write the ADDRESS of the property you are nominating; otherwise we may not know whom you are nominating.** On the counter in Town Hall, we have placed a little flowered box along with nomination slips. Nominate up to **three different** properties. A new recognition recipient will be chosen **July 16, 2019** at our regular council meeting, we invite you to attend. Submissions must be received by the **16th** of July. This allows time for placing the signage in the yard, taking the picture and placing the information in the following month's news bulletin. Our recognition program will run from May through September, 2019. Winners will receive recognition with a yard sign visible for others to see, a picture in our town bulletin and a gift worth \$25.00. **Council members and town staff are not eligible for nomination.**

TOWN BEAUTIFACATION

As part of our plan to increase town pride, we have hung beautiful flower baskets from our park light poles. They are hanging on the Broad Street side. They look so beautiful! As part of our town beautification we are planning to have a town wide participation cleanup. We will be cleaning our alley ways. The more people we have, the more we can accomplish. We need persons from both sides of town to volunteer. A lead for each alley way would be fantastic! We are also seeking donations for large plastic bags. Please contact **Stacy Equitz** through town hall. We are trying to arrange for a lunch meal in the park for all those who have arrived early and helped us work on the clean-up. As we come up with a date, more information will be given on the details. Keep an eye out on our town bulletin boards. **If you have personal belongings in the alley way, now is a good time to start to remove them.** So, plan to come meet your neighbors and help us beautify our town. All are welcomed!!

We have a gem of a community here, let's all do what we can to keep it up!! If you see trash, pick it up. If you smoke, do not throw your cigarette butts on the street. It makes our town look dirty! We invite you to contact us through Town Hall, attention Anna Huerta or Trish Callahan.

Yours Truly,

Anna Huerta and Trish Callahan
