First Book Hood River, Wasco counties give books to kids

■ By Nancy Johanson Paul and Wasco counties

Children in Hood River and Wasco counties are going to learn new things, see new places, develop new abilities, and open up their world.

In October, First Book grants were given to in Hood River County to Oregon Child Development Coalition (Migrant Head Start), The Next Door Klahre House, May Street Elementary English Learners Program, and ExCEL After School Program. About 558 children ages birth to teenager will receive four or more

books in the next 6 months.

In Wasco County, 448 students in grades K-3 at Chenowith and Colonel Wright elementary schools will each receive three books to read at school and then take home to keep.

The books are selected by the teachers and often the students at about \$3 a book from the First Book National Marketplace. Last school year, students at Chenowith Elementary wrote the following after receiving First Book books to Roxanne Ringer, who ordered and distributed the books to students:

"Thank you for the presents. Your gift makes us feel good and happy. We like our books! The jokes are funny!" In Hood River, a Spanish speaking mom being home visited by a Family Home

Visitor from The Next Door said, "My baby points to one of the dogs in a favorite book and calls it the family dogs name, showing me he is connecting the story to real life. I always make sure and add more language to what my baby says about the book to add to his vocabulary and concepts."

Wasco County and Hood River County First Book received funding from United Way of the Columbia Gorge, Gorge Community Foundation — Dr. Issai and Dr. Ellen Hosiosky Fund

and Saxby/Sharp Fund, Northwest Natural Gas, Wasco Masonic Lodge, and donations from local people and businesses who support the emerging literacy of children and want to see children experience the joys of having and reading books.

First Book in the Columbia Gorge community is asking for donations now in order to give out books grants to the local Head Start programs and Family Services Home visiting Program (birth to 3) at The Next Door in January 2022. If you can give, send your tax deductible donation to First Book Hood River County, PO Box 221 Hood River, OR 97031 or First Book

Melissa Werkheiser 600

■ By Jeff Olson

Hockey fans know that at the end of each game, three stars are announced. They skate out on the ice under rotating spotlights to thunderous applause from the crowd.

Well, this past week at Hood River's Orchard Lanes. we had three clear-cut star bowlers:

1.Rod Pratt 2.John Mayfield 3.Melissa Werkheiser

Rod Pratt ended up as the big man on campus with a glitzy scratch 717 series that he fired in the Industrial league. That fine three game set was 111 pins over his average. Mr. Pratt has had

his bowling engines on full throttle this sea-son even without his partner Whitney He's currently averaging 206 in the Industrial and 209 in the County leagues. Those area code numbers confirm that Rod is a heck of a bowler!

John Mayfield starred in the same session with a nifty scratch 645 series. That set was a whopping 168 sticks over his average. John is relatively new to league action but he clearly has great potential based on his latest effort. Right now, he's just learning how to bowl. One thing is clear, John has one important point covered in the modern game of bowling because he imparts plenty of speed on his ball.

Melissa Werkheiser is our newest star, this is her first go in league action at Orchard Lanes. Last week she shined like a super nova in the County League with a right on the number, beautiful scratch 600 series.

She also ended up 111 pins over her average. Folks, a 600 series is just plain good bowling no matter who you are and it's always quite special to attain that milestone number. A hearty welcome to Melissa, we are thrilled that you are bowling league and, obviously, having posted such a nice series, you have awesome potential.

In this session, she beat 27 other bowlers in the league. The only one she didn't beat was super star Rod Pratt. Folks, bowling is for everyone, so ladies, follow Melissa's lead and join in on the action of league bowling. It's a ton of fun!

TEAM OF THE WEEK:

Rod Pratt 717Jeff Miller 678 Bill Whetstine 669 660 Patrick Olson Jeremy Bloom 659 3,383 Total pins

Individual highlights are important but leagues are built around teams that compete against each other every week. It's always rewarding to bowl a big game or series but it's also exciting to win as a team. Here are

some examples:

In the high scoring hotshot Wednesday Fraternal league, several matches were slated between top teams. The big first place 602 average Men with Zeal faced up against the 581 average Blue Bombers in a match. The Zeal boys put on quite a show, knocking down 1,878 sticks which is a 206 average per man, crushing the Bombers 19 to 6.

Leading the Zeal crew were big shooting Bill Whetstine with a 669 series and young star Levi Phelps with a 658 set. The Bombers couldn't compete, posting a lackluster 186 average. The top 615 average Montavon's Berries team was pitted against the Three Wizards who won the first round. Montavon's put a spell on the Wizards blitzing them 23 to 2 by averaging 210 per man.

The Berries guys all notched 600s: Jeff Brittle 644, Roger Montavon 620 and Patrick Olson 633. Folks, that's solid team bowling!

The 592 average Hood

River Sports Club and 580 average 6th Street Bistro each won their matches 17 to 8. Bernie Keys led the Sports Club with a 636 series as they topped E & L Auto Machining. The Bistro boys averaged 200 in a close match with 584 average Mt. Hood BBQ team. The upshot of these matches is that these four top teams now lead the league and all of them are poised to win the second round.

Zeal leads with 59 points, Berries have 57 points, Sports Club has 53 points and 6th Street is at 50 points. Go bowling everybody!
