**A WOMEN'S ORGANIZATION NECESSARY**

A call has been extended to every woman in this vicinity to meet next Friday afternoon for the purpose of organization. It is stated that the object of the meeting is to secure a united effort by women for the improvement of themselves and their environments. At present there is no such organization of general scope in this community. Many things are not advancing now because they lack the encouragement and support from the women. It seems that to secure the successful accomplishment of these it is necessary that women should help through an organization.

With a voice in public questions matters through the ballot, their influence will be felt directly in the governing of city, county, state and national affairs, and they will soon feel a stronger interest in solving some of these problems by a personal contact.

A local organization for the purpose announced is necessary to any community and it can be made of great influence for betterment.

Voters who register as independents, or who give no party preference, should remember that they will not be able to participate in the primary election, for Oregon's nominating election is conducted through the medium of parties. Voters who register as Republicans must vote as Republicans, those who register as Democrats must vote as Democrats, etc. Independents and no-party voters have no label under which they may vote in the primaries.

The movement for a county division is now well along and as it has not been promoted by Florence, it may convince some people that the

majority of the people of Western Lane county are in favor of the proposition. For over four years this sentiment has been growing until now people from all parts of the coast section of Lane county are uniting in an effort to secure a new county.

The Poultry show to be held Friday and Saturday is for the purpose of organizing a permanent association. If you are interested join the poultry boosters. If you have no poultry to show, go and see what others have.

Telegrams state that an American syndicate have offered Huerta \$1,500,000 to resign. This looks like putting a premium on revolutions for the purpose of getting to be president of Mexico.

The County Judge of Crook county accuses the sheriff of stealing the Tax rolls. Is this an argument against the saying, "There's nothing in a name?"

A pup has been delivered through the parcel post. Lucky he wasn't sent to Florence, or he would have had all the bark rubbed off.

**ELECTION DATES ARE GIVEN**

Secretary of State Olcott has sent to all candidates, county clerks and other persons desiring pamphlets containing a digest of the election laws for use in the coming primary and state election campaigns. The pamphlets give the necessary information for the guidance of candidates and county clerks.

The new pamphlet shows April 10 as the latest date upon which nominating petitions for members of the national committee and United States Senators, Representatives and all state officers can be filed.

April 14 is the latest date upon which county clerks may mail printed notices of primary nominating election to the judges and clerks of the various voting precincts.

April 15 is the latest date upon which nominating petitions and notices of candidates for county, district and precinct offices may be filed with the county clerk.

April 23-25, the county clerk shall arrange names of and other information concerning candidates, file in his office and post a duplicate therein and proceed forthwith to have official ballots printed as provided by law.

Day before primary nominating convention, or May 1, county clerk is advised by attorney general to close registration books.

May 4, county clerk shall designate voting places and fill all vacancies on board of judges and clerks.

May 9, latest date before primary election upon which clerk shall deliver to sheriff voting supplies for various voting precincts.

May 13, latest date upon which the sheriff shall take charge of voting places designated by county court.

May 15, date upon which county clerk shall close registration books and of primary nominating convention. Pools open at 8 a. m. and continue open until 8 p. m. Judges, at their discretion, may adjourn at 1 o'clock for one hour.

The boys and girls of Oregon who will earnestly strive to make themselves proficient in potato growing, raising corn, vegetables or pigs, sewing, cooking and baking, or in keeping farm and dairy accounts may find themselves entitled to a reward well worthy their best efforts. The Agricultural College, co-operating with the State Superintendent of Schools, is planning to give to at least two boys from each county in the state a trip to Salem for the entire week of the State Fair. In addition, at least ten of the highest scoring prize-winners will have all their expenses paid on a visit to Panama-Pacific Exposition at San Francisco next year. It is expected that industrial clubs will be organized in nearly all the schools of the state and these clubs will be entitled to bulletins and information and advice of every sort regarding any line of work they may decide to take up. In the gardening contest fractional tracts must be cultivated and accurate records of every detail of the work and its results must be kept. It is hoped that a large percentage of all the school children in the state will take part in this contest.
