

Self Sacrifice

Economize for the purpose of being independent is one of the soundest indications of manly character. It is what we save rather than what we earn that insures a competence for the future.

ANNOUNCEMENT CALVIN J. HURD

To the Republican voters of Lane county.

I am a candidate for the nomination for the office of County Commissioner on the Republican ticket. I am a farmer having lived in my present neighborhood, between Eugene and Junction City, for the past 18 years. I am well acquainted with the needs and conditions of the roads in all parts of Lane County, and especially the roads in the Western part of the County.

I have for the past five years given the road question a thorough and systematic study, both from a constructive and maintenance viewpoint, I was one of the first men in Lane County to publicly advocate the patrol system of road maintenance.

If I am nominated and elected I will use my best efforts to see that all parts of the County are given fair treatment as to the distribution of public funds.

If the above meets with your approval vote X No. 76.

CALVIN J. HURD.
(Paid Adv.)
