PLEASANT HILL FARMER CANDIDATE FOR COMMISSIONER

Mr. R. Papenfus located 23 years ago at Pleasant Hill, and by taking the hard knocks of life now owns over 500 acres in Lane county and is one of our most successful farmers. He is looking over the Siuslaw for a few days.

Mr Papenfus is a candidate for the nomination for county commissioner on the republican ticket. He is a friend of the working man and farmer and offers the following as a synopsis of his platform:

Synopsis of platform—As a candidate for County Commissioner, I stand first, last and all the time for the best highways possible. Where traffic is heavy I believe in putting in a good, substantial foundation which will save the expense of repairing each year.

I believe in economy in all departments of County affairs, not impairing the best efficiency.

I believe the County Court should, as far as possible, conserve the wishes of a majority in the selection of road supervisors or the development of any public work in the respective districts.

If elected, I shall feel it my duty to live close to the people and consider myself their servant instead of their superior, and safeguard their best interests at all times, and above all, I believe in a reduction of the present burden of taxation.

Respectfully submitted,
R. PAPERFUS
(Paid Adv.)
