JOHNS
For
REPUBLICAN
Governor
Give this Job to a man who will reduce Taxes and cut down expenses
If you had an interest in a private business you would want it conducted on business principles. You have an interest in the affairs of this State. The State of Oregon is a business institution run for the benefit of the people in it who, in a certain sense, are stockholders in its business interests.
TAXES MUST BE REDUCED!
In the coming primary election, Charles A. Johns, of Portland, will ask the vote of every person who believes the State of Oregon needs to have taxes reduced and expenses cut down. The only way to reduce taxes and cut down expenses is to apply the same principles running the State that you would apply in running your own business. How many institutions would run along with an increase of operating expenses from year to year? Not many. Well, let's reduce taxes and cut down our expenses. Charles A. Johns, of Portland, running on that platform and stands on his platform. Get him on a job! Start thinking about this today!
Will you elect a man who will cut down taxes and reduce expenses, or a politician, as our next Governor? The issue is clear. Who will cut down taxes—the other candidate? Which do YOU want?

CHRIS B. CHRISTENSEN

Candidate for sheriff of Lane county, on Republican ticket. If I am nominated and elected I will, during my term of office, devote my personal attention to the conduct of the affairs of the office in an economic and efficient manner, and will enforce the law without fear or favor. I desire to have placed after my name on the ballot the following: "Personal attention towards efficiency, economy, and law enforcements without fear or favor." CHRIS B. CHRISTENSEN, Candidate for Nomination for Sheriff.

ANNOUNCEMENT.

Pleasant Hill, May 7th 1914 To the voters of Lane County: In calling your attention to my candidacy for the Republican nomination for state representative I wish to say I am the only candidate for the office who resides on and operates his own farm. I therefore represent the farming class of people with no other interests to call for first consideration, but if elected will be fair to all regardless of occupation. I am in favor of a reduction in taxes, better values for what we do pay, easier payments of taxes and economy in all lines of expenditures by the state and county. I further promise if elected to be present and vote on every bill passed by the next legislature unless prevented by sickness to do so.
