On Thursday, February 4th at 4:00 p.m. regional Blues - Folk entrepreneur (sells records out of the back of his car) Eric Park will present his more-or-less annual musical tribute to the Delta Blues great, Mississippi John Hurt, at Music Millennium's 32nd and East Burnside location. Park is the creator of the "Gen-U-Wine" guitar slide, ground from select wine bottles and used by guitarists including Bonnie Raitt. Park will be joined by Delta Dan Lissy in the tribute portion of his hour-long set, and will perform some of his original compositions, as well.
