

Alice Evans

I Am Loving Men Again

I am loving men again  
their strong arms  
the way they can toss  
little girls to the moon  
then curl them against their hearts

I am loving men again  
their broad smiles  
their grins  
the way their chins hold stubble  
like a pin cushion pins

I am loving men again  
their penises  
still soft when hard and throbbing

I am loving men  
not the way I once loved men  
but more  
like the way I've learned to love myself  
the way that says "you're clean and good  
and you were born into the world  
perfect."

I am loving the way  
men are perfect  
I am learning to love perfect men

I am loving the way  
men can be human  
as a woman  
the way they can open my heart

I am loving men  
the way I am loving myself  
forgiving, trying to forgive

I am loving men again  
loving men  
loving men  
loving

And now for something completely different.....

Welcome to the back page of Issue 1 Volume 2 of the Upper Left Edge. This year we have grown and now have a lot more space (16 pages) and talk to a lot more people (5000 copies), but for a lot of you folks this is the first time you have seen the Edge and you should get a "catch-up course" in what we are like. So...on this back page and throughout this issue we have brought back some of our favorite art, ads and stuff, so new readers can get up to speed and our old readers can reminisce with us. Also, having the luxury of more space makes us want to stretch out and rearrange furniture, if you will. We hope you enjoy and share this issue. Thanks for stealing a moment to STEAL THIS PAPER! Ed.

Illustrations of zodiac signs, animals, and birds.
