Dear Editor,
I, Rob Milliron, think that the Upper Left Edge should have a kids' food, movie, and music column. This is good because kids don't like the same things as adults. No local newspapers have columns like this. I and many other kids think that newspapers should help kids make decisions, not just adults.

Sincerely, Rob Milliron

In this sometimes funny, sometimes spooky movie a gang of 12 year old kids get together to save the world. All the world's great monsters come to their town to plot a way to have *evil forces* take over the world. The boys use all their monster know-how to battle them.

There are a couple shots of blood and a few cuss words. Overall I give this a ten.

Trivia Question: How do you kill a werewolf?
