**The Influence of Allen Ginsberg
 on the Modern American Poet**
 by Bill Clunie

thanks for the gift, B,
Reality Sandwiches, City Lights, 1963
 two dollars fifty cents,
 it was my first poetry.
 seventeen years old and stupid
 with westerns and science
 fiction and Doc Savage
 and an internalized narrative
 that could have drowned me.
 but then to find this
 in a local library!
 did they know what they had?
 somebody must not have known!
 or they never would have let them have it!
 I didn't understand much of it, wow
 more confusing than anything
 I'd ever read. it angered me,
 some, and then I saw that little
 stanza portion, to paraphrase:

"armies fucking
 joyfully on the battlefields"

how disgusting! it made me sick!
 men fucking each other?!?
 on a battlefield?!?
 it's immoral! they should be out there
 shooting each other, bayonetting each other,
 napalming and garotting each other,
 they should have been cutting each other's balls off,
 not fondling them! how sick!

thank you for the gift, B.,
Reality Sandwiches, City Lights, 1963
 I never did own a copy,
 although I did have a Green Automobile
 once. but that is another story.
