Movies Filmed on the Coast
by Rob Milliron

Lots of great movies are filmed on the coast. Stars like Arnold "Mr. Universe" Schwarzenegger, Patrick Swayze and Sean Astin have been to the northern coast of Oregon.

One great movie filmed here was **The Oonies**. This was about a young boy and his friends who go on a hunt for pirate gold. You may recognize shots of the Astoria bridge, Ecola state park and Haystack Rock.

Another great film was **Free Willy**. This deals with a street rat who goes on a vandalism rampage through a whale's observation room. He ends up working there and befriends a whale. You will recognize the Astoria bridge and Astoria harbor.

There are several other movies filmed on the coast, **Kindergarten Cop**, **Point Break** and **Shattered**.
