My Oscars
by Rob Milliron

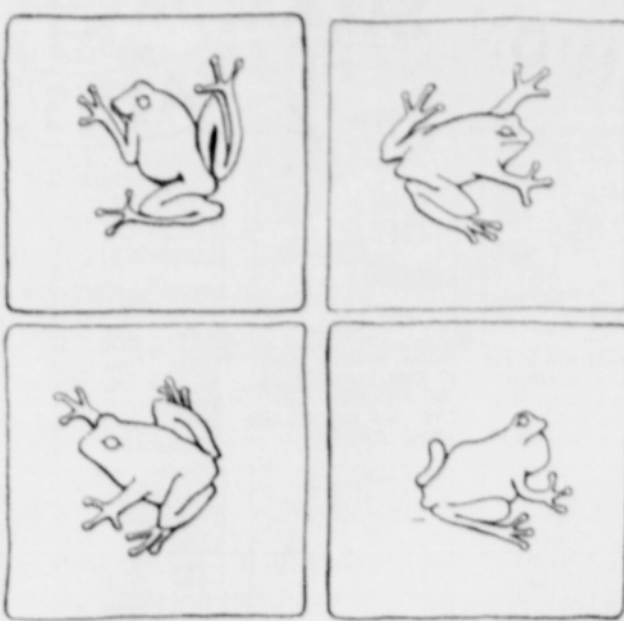

This month I decided to do my Oscars picks.

- Best Picture:** "Tombstone"
- Best Actor:** Pauly Shore for "Son In Law"
- Best Actress:** Julia Roberts for "Pelican Brief"
- Best Director:** Steven Spielberg for "Schindler's List"
- Best Supporting Actor:** Val Kilmer for "Tombstone"
- Best supporting Actress:** Ally Sheedy for "Chantilly Lace"

Val Kilmer was my personal favorite. He played Doc Holliday in "Tombstone". He was funny, scary, sad and dangerous. Most adults didn't like "Tombstone", but it was a good western. There was lots of action, laughs and some blood. For little kids it might be too violent but for over 10 it was the best movie I saw all year.
