BASEBALL

Could it be? Is it over? Will they once again, on the green field of Wrigley's, look to the Ivy covered brick as the echo of "... and the home of the brave" bounces off the neighborhood buildings, seeing the flag and the pennants; then turn and watch the umpire dust off the plate and utter those words we have not heard since the heat of August last year? Will we hear it soon? Will someone really say it?... Will it be heard again across the land? Those two words that no one has said for so long? Will they really say, "Play Ball!"
