Music Millennium at 3158 E. Burnside in Portland presents **Bob Brozeman**, "The King of the National Guitar" **Sunday Feb 9th at 3PM** it's free. Mr. Brozeman describes what he does this way, "I use metal objects to disturb air molecules...these molecules strike against the listener's eardrums, generating a small electrical signal to the brain - which responds by squeezing out a few chemicals. The listener feels this as pleasure....It's a good career."
