

In Wildness is the Preservation of the World

If you're not part of the solution, you're part of the problem.

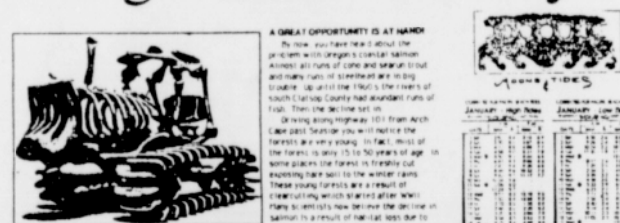

We two form a multitude.

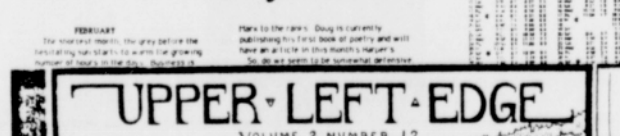

In spite of everything, I still believe that people are good at heart.

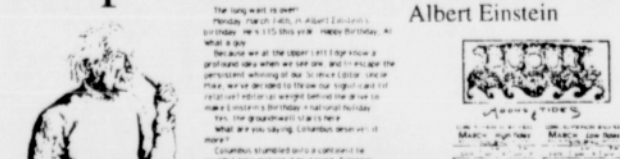

Either lead, follow, or get out of the way.

Do what you do
Don't do what you don't
Be what you'll be
Don't be what you won't

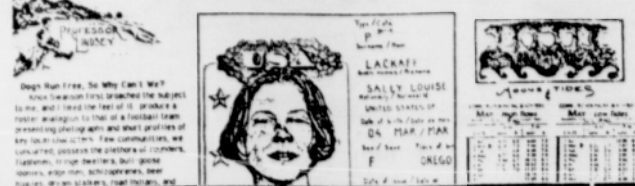

Imagination is more important than intellect
