**Now Featuring**

Manzanita News & Espresso is proud to now be serving shade-grown coffee supplied to us by Portland Roasting. The coffee we buy from them is roasted and shipped to us weekly on THE VERY DAY we place our order. Coffee is now purchased whole-bean and ground daily here by us. We feel very happy about our coffee being environmentally responsible. We are also please to be selling a product that we feel is better: both FRESHER and TASTIER.
