

SCENES FROM AROUND THE WORLD

The economic slow-down has forced serious cutbacks on the development of the wall along the U.S. border with Mexico, however the barrier has stymied some people considering crossing the line.

"Communities aren't just streets and buildings. Communities are thriving places where cultures, commerce and souls grow stronger together."

- Mary

At Albina Community Bank the most ordinary financial transaction can have an extraordinary impact on our local community.

You're going to bank somewhere, why not let your banking make a difference in the places where you live and work?
