The coolest Northwest getaways ever!

Holiday with the vampires!

First, if you love teenage vampires, or even if you really don't, but your family does, than the **Twilight Package** is just what you always wanted. Enjoy two nights for 2 to 4 people at Huckleberry Lodge in beautiful Forks, Wash. – home of Edward and Bella. You'll also get four passes to the Twilight tour sponsored by **Dazzled by Twilight**, along with t-shirts, stickers and other memorabilia from the movie "Twilight," including a behind the scenes DVD from people working on the film, original copies of the crew call from the movie set and three pages of script from the movie. Oh my, you won't be disappointed. Plus, you're only minutes away from the Olympic National Park and the Hoh Rain Forest, a perfect family getaway.

Theater lovers, unite!

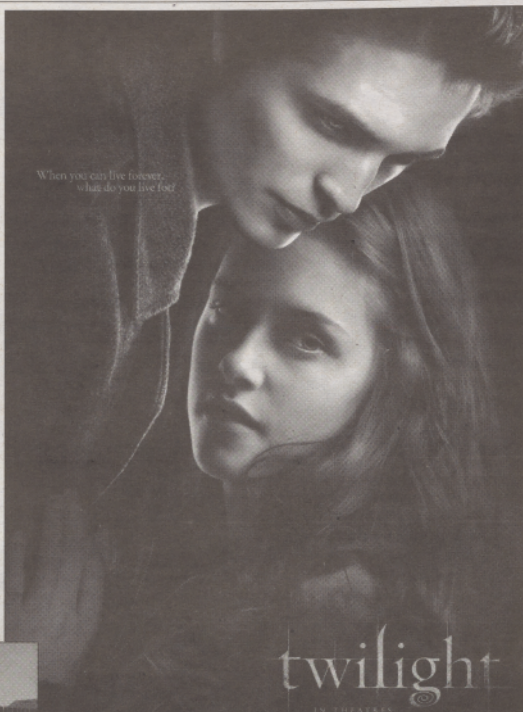

Vampires not your thing? Then head south to Ashland and get two nights for two at the lovely **Anne Hathaway Bed & Breakfast**. You'll also get two free tickets to the **Shakespeare Festival**. It promises to be a romantic weekend (lovers anyone?) for two in beautiful southern Oregon.

Fishin' with Ted and Iz!

Not wanting to go anywhere but looking for something fun to do in Portland? Join fishing expert and **Street Roots** vendor **Ted Jack**, along with amateur fisherman and **Executive Director Israel Bayer**, for a day of fishing from the East Bank Esplanade. It promises to be a day of fun and we'll take care of your fishing license for free.

Chips and chip shots!

You're a golfer and a gambler? Perfect! Treat yourself to two nights for four at the **Kah-Nee-Ta High Desert and Resort Casino** in Central Oregon. This package includes a round of golf for four, cart rentals, and all the fun of golfing and gambling near beautiful Warm Springs, where the golfing's good any time of year. And what better way to help **Street Roots**, right? Right!

Learn to roll a whitewater kayak with one-on-one pool instruction!

Willie Illingworth is a Portland-based class V whitewater kayaker who loves to share his passion for kayaking on area rivers. As the winner of this package, you will have up to 3 hours (in two sessions) one-on-one with Willie at an indoor heated pool, where you'll learn the fundamentals of righting your kayak without exiting it – also known as the Eskimo roll. Basic-to-intermediate instruction on kayaking technique is also available if the Eskimo roll is not your goal.

Bidders should be excited to learn, in reasonable physical shape, and willing and able to travel to **Clackamas Aquatic Center** two Tuesday nights this winter. Admission to the pool is \$12 per night, and is not included. Equipment will be provided based either on height/weight of winner or a fitting session at Willie's favorite local paddlesports shop, **Next Adventure**.
