Street Roots Winter Auction!

Back by popular demand and bigger and better than ever, it's Street Roots annual online auction! It's one week of fun and fund raising for Portland's award-winning street newspaper. Let the bidding begin!

Welcome to the Street Roots 2010 on-line auction. The bidding starts at noon on Friday, Oct. 29 and ends at noon on Monday, Nov 8.

In the next 5 pages you will find listings of the items we have online. We have some great gifts for you this holiday season - be it for yourself or for someone close to you. Trying to figure out exactly what to get your family member or friends? You've come to the right place. In partnership with more than 100 businesses, Street Roots has some of the coolest items in the city, both large and small.

We have items ranging from a new bike and cycling gear to dozens of eateries, massages, haircuts, and signed prints from Street Roots photojournalists. We have getaways to central Oregon, Ashland, and a mountain biking adventure to Oakridge,

Oregon. And this year, being that Street Roots loves to highlight musicians and artists, we have signed prints from the great Nikki McClure, signed autographed CDs and LPs from the likes of the Decemberists, Casey Neill, Storm Large and more. And let's not forget an autographed 2011 team Trail Blazer ball and front row tickets to a game. Lastly, let's not forget the chocolate, lots of fun from Dark Horse Comics, and beer!

Here's how it all works:
