Our Neighborhood: Your Voice

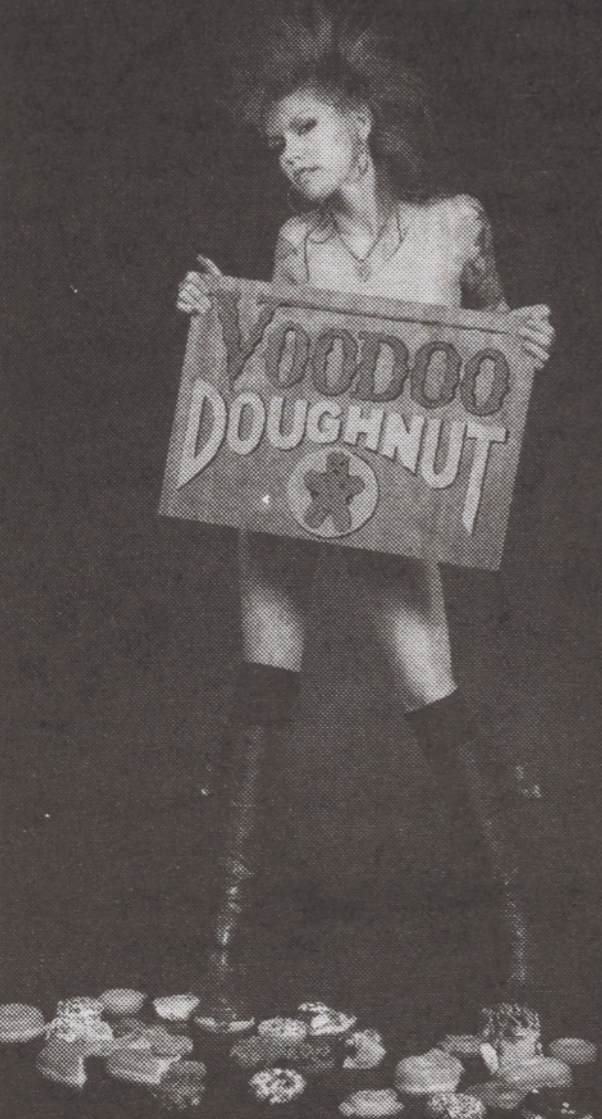

Help inform your city's budget process and programs. Give your input on how Multnomah County, Portland and Gresham should invest between \$11-19 million dollars in federal housing resources.

This annual hearing hosted by the Federal Funding Oversight Committee and the Portland Housing Bureau seeks your view about housing issues that matter to you. By sharing your views at this public hearing, you help your governing bodies understand your housing and neighborhood needs. It helps them draft budgets and the Consolidated Annual Action Plan as required by Housing and Urban Development.

Consortium Housing and Community Development Needs Hearing.
Wednesday, Nov. 14, 4-5:30 p.m.,
following the Coordinating Committee to End Homelessness meeting
