It's been hunted and sought
By pushers, junkies, hookers
And tricks.
Slaves to the bag always chasing
The fix.

It's more valued than diamonds.
More treasured than gold.
Fix it once and your freedom
Is sold.
It will make a schoolboy forget
His books.
It will make a beauty queen neglect
Her looks.

It will take a great orator
And make him a bore.
It will take your sister
And make her a whore.

It will take a teacher
And make her not want
To teach.
It will take a preacher
And make him not want
To preach.

It's got daughters turning
on mothers.
And sisters robbing
their brothers.

It will make you rob,
Steal and kill.
It's when you're in the spoon
You have no will.
Well now you know
What will you do,
If you haven't fixed yet,
It's still up to you.
