HOROSCOPES

By Soup Can Sam, staff astrologist

Pisces (Feb. 19-March 20)

Like poetry? Buy a copy of *I Am Not A Poet*, SR's 15th anniversary poetry anthology. Check out Reading Frenzy and Broadway Books or go to iamnotapoet.org Because what would Soup Can Sam be without at least one unsolicited advertisement?

Pisces (Feb. 19-March 20) We all know that rubbing a banana peel on your hemorrhoids can take care of outbreaks, but few of us take good advice seriously. It's time to take that advice seriously.

Aries (March 21-April 19) Always remember that the number of complaint calls dialed to police is directly related to the number of phones in the hands of people who like to complain. Problems are another measure entirely. Don't be knee-jerked around by numbers. Appreciate how good we really do have it!

Taurus (April 20-May 20) Nostalgic for the days when the Internet was anonymous, when no one knew you were a dog? Those days are over, Rover. Let Jimi take over. Embrace the purple haze of your new secret identity, Mr. Caruthers.

Gemini (May 21-June 20) Cats don't always enjoy a tender, affectionate petting. Cats don't care if you do. Tickle someone else's chin for awhile.

Cancer (June 21-July 22) The older you get, the more grey everything will become. It's not your eyesight, it's your view.

Leo (July 23-Aug. 22) It's out there somewhere. Keep your eyes peeled.

Virgo (Aug. 23-Sept. 22) Drink coffee like it's your job this month. Because, really, it is your job 35 percent of the time.

Libra (Sept. 23-Oct. 22) We all know March is Women's History month. But did you also know it's Colorectal

Cancer Awareness month and International Francophone Month? Say bonjour to your doctor and get yourself a colonoscopy for a safe, healthy year ahead.

Scorpio (Oct. 23-Nov. 21) Remember that movie *Coffee and Cigarettes*? Yeah, neither do I. But remember to imbibe both in moderation as the spring grays get you down.

Sagittarius (Nov. 22-Dec. 21) Write a letter, stamp it, mail it off to someone you love in a tried and true, intimate way. The post office is amazing! Drop something in a random, blue box and days later it will arrive in another box on the other side of the country for less than 50 cents!

Capricorn (Dec. 22-Jan. 19) Watch out for Virgos. Some of that stuff's not even real coffee.

Aquarius (Jan. 20-Feb. 18) A lot of it isn't real booze, either. Heads up.
