HOROSCOPES

By Soup Can Sam, staff astrologist

Pisces (Feb. 19-March 20)

Well, good news, Pisces. It looks like the stars are in your favor today. You may have a few chance encounters with some of the happy people you enjoy the most. Don't get too caught up in other people's problems or you could miss a fun-filled opportunity.

Aries (March 21-April 19) It's been a dog week and you're probably dog tired like all the dogs in Portland. Do yourself a favor and, like the dogs in Portland, take a nap in a flowerbed. It's refreshing!

Taurus (April 20-May 20) Be more like a cat. Don't leave the house, eat when your fed and dance for a feather-stick when it's thrown. And sleep like it's the most important item on the to-do list.

Gemini (May 21-June 20) Contact an old friend. Write a letter, make a phone call, set a time to Skype. You'll be amazed at how good it feels for your soul. And theirs.

Cancer (June 21-July 22) We could all use a leg up. Leave a message for a future passenger.

Leo (July 23-Aug. 22) Read the signs.

Virgo (Aug. 23-Sept. 22) Weather plays an important part in this sign today. You will feel joyous and free. Don't be surprised if someone you haven't seen in quite some time arises to your occasion. Be patient and remember, easy does it. Things will go your way.

Libra (Sept. 23-Oct. 22) We all know March is Women's History month. But did you also know it's Colorectal

Cancer Awareness Month and International Francophone Month? Say bonjour to your doctor and get yourself a colonoscopy for a safe, healthy year ahead.

Scorpio (Oct. 23-Nov. 21) Tread softly, fair Scorpio. Don't let your passion get the best of you. Today's forecast is for listening and understanding. Someone close needs your strength and compassion.

Sagittarius (Nov. 22-Dec. 21) Some mornings there's nothing better than cold pizza. Feed your inner teenager. You can only eat so many millet cakes and goji berries before they get old.

Capricorn (Dec. 22-Jan. 19) Portlanders love nothing more than satirizing themselves. Go pickle that!

Aquarius (Jan. 20-Feb. 18) Squirm less. Tickle more.
