## HOROSCOPES

By Ann Landers and Dear Abby via Jupiter and Mars, respectively; guest astrologists

### Aries (March 21-April 19)

Those who hope to frighten teenagers in line with hell-fire speeches had better wake up and smell the coffee — because the kids aren't buying.

**Taurus (April 20-May 20)** You can't tell if a girl is a virgin by the way she walks. But you can sometimes tell by the way she talks. Ain't that right, Ann?

**Gemini (May 21-June 20)** Not sure what you're implying, Abs, but you know that real fulfillment is found only in a love relationship which involves another person. It cannot be found in solitary physical pleasure. That is why God made man and woman.

**Cancer (June 21-July 22)** I like all kinds, Ann. Even

myself. You know, Medical authorities tell us that masturbation is a normal part of growing up. Masturbation does not cause pimples, acne, a sallow complexion or dark circles under the eyes. Masturbation will not stunt growth, cause sterility or insanity. It is not that young people who masturbate do not later have satisfying sex relations in marriage.

**Leo (July 23-Aug. 22)** Exactly. No point in saving, Deary. When a girl marries, she has a right to expect her husband to judge her on the basis of her behavior with him. No man should insist on a white-flower girl unless he is able to bring to the marriage the same credentials of purity.

**Virgo (Aug. 23-Sept. 22)** Certainly, especially if someone's hubby spends as much time in the bathroom as Mr. Landers does. I'm sure you'll find that housework, particularly floor-scrubbing, is not only great for the female figure, but it's good for the soul. And it will help take the

edge off your sex appetite. Cooking, baking, and sewing will prepare you for homemaking. Energy siphoned off into these constructive channels will leave less energy for preoccupation with erotic fantasies.

**Libra (Sept. 23-Oct. 22)** What the hell, Abby? You know Mr. Landers has prostate issues. You kids at home, take care of your plumbing.

**Scorpio (Oct. 23-Nov. 21)** Great advice, Ann. And not casting aspersions on Mr. Landers. As Gossip says, "Once I tarnish a reputation, it is never the same."

**Sagittarius (Nov. 22-Dec. 21)** Gossip made us rich.  
**Capricorn (Dec. 22-Jan. 19)** That was advice, Ann.

**Aquarius (Jan. 20-Feb. 18)** Sale at SheBop tomorrow.

**Pisces (Feb. 19-March 20)** I'm there.
