HOROSCOPES

By Soup Can Sam, staff astrologist

Gemini (May 21-June 20)

The coming weeks will be complicated. You will have few defenses at your disposal other than fishing poles. Good. Luck.

Cancer (June 21-July 22) Life in the limelight may have been fun last year, but with the lime shortages you will feel the pressure.

Leo (July 23-Aug. 22) This month is full of some great poetry events. Go check them out to get rid of that writer's block.

Virgo (Aug. 23-Sept. 22) Four a.m. is the coldest hour, but it has the warmest heart. Don't get so angry about it tomorrow.

Libra (Sept. 23-Oct. 22) Pre-saved Google searches can trim a lot of time during emergencies. Start a list ASAP.

Scorpio (Oct. 23-Nov. 21) Congratulations on the 30-day sarcastic challenge! Looking forward to July, are we?

Sagittarius (Nov. 22-Dec. 21) Even blind pigs find truffles. Still, they're not worth going blind.

Capricorn (Dec. 22-Jan. 19) Glitter up, ladies!

Aquarius (Jan. 20-Feb. 18) Don't waste time worrying about becoming "complete" or finding some nonexistent inner tranquility. That crap's for selling books, not improving life. It's the incomplete days that keep us yearning for something new, and the upheaval of our inner souls that keep us constantly working toward peace. Chew on that.

Pisces (Feb. 19-March 20) You cannot sing, but that's OK. Neither can the doll on the record.

Aries (March 21-April 19) Drink more, spit less.

Taurus (April 20-May 20) A stunted unicorn may be the only magic you get next week. Be thankful.
