## HOROSCOPES

*By Soup Can Sam, staff astrologist*

### Leo (July 23-Aug. 22)

Lower your expectations for a lobster and caviar lifestyle and the world will be your oyster.

**Virgo (Aug. 23-Sept. 22)** Preparation isn't always key. It can also be a waste of time, particularly for August.

**Libra (Sept. 23-Oct. 22)** Jupiter, with his shady past, needs better lawyers. Call Capt. Mark Kruger for a recommendation if you're ever in the same boat.

**Scorpio (Oct. 23-Nov. 21)** Insight will come unexpectedly and inappropriately next week.

**Sagittarius (Nov. 22-Dec.21)** Abandon all dreams of a disco violin revival.

**Capricorn (Dec. 22-Jan. 19)** Ari is calling you. You won't know much about him, but you'll know what you like. And he's not so bad. Clean.

**Aquarius (Jan. 20-Feb. 18)** There's an empty room of comfy chairs in one of the houses in one of your moon spheres or whatever. Open the door! There are conversations lost in space for want of a few warmed Barcaloungers!

**Pisces (Feb. 19-March 20)** Simple is often best. It is often not as much fun, but tough titty. Simple's good enough right now. In fact, it's perfect.

**Aries (March 21-April 19)** The songs of Sheena Easton are calling you! You don't have to answer.

**Taurus (April 20-May 20)** Speaking of singing! Do it loud and proud! The world needs a melody, a harmony and a nice beat to dance to now and again.

**Gemini (May 21-June 20)** Open your world to another language, another way of smiling, a new expression of joy and an original understanding.

**Cancer (June 21-July 22)** Sometimes it takes longer than others. That's OK, though. Relaxation is really the key.
