HOROSCOPES

By Soup Can Sam, staff astrologist

Leo (July 23-Aug. 22)

Philosophers have been working for thousands of years to discover why simple things are so satisfying. Truly wise people just enjoy 'em.

Virgo (Aug. 23-Sept. 22) Riding the rails this fall? Don't forget your hobo code book. Sometimes a common language is the best passport when traveling among strangers.

Libra (Sept. 23-Oct. 22) Don't take your knuckles for granted. Don't let them drag.

Scorpio (Oct. 23-Nov. 21) Change your mind with confidence this month.

Sagittarius (Nov. 22-Dec. 21) September is the

bike commute challenge! Get on your bikes and ride!

Capricorn (Dec. 22-Jan. 19) The span between birth and death is really the shortest part of your life. Regardless, invest in it wisely.

Aquarius (Jan. 20-Feb. 18) Butt in less. Shake your groove thing more.

Pisces (Feb. 19-March 20) Funny things will happen on the way to the tattoo parlor. Just keep your sense of humor in good health.

Aries (March 21-April 19) Enjoy long-distance communications, like the eyes of a future lover across a crowded room, or the laughter of children in the park. That intimate relationship

you've had with your phone the past few months isn't going anywhere.

Taurus (April 20-May 20) This won't be the last time you'll wish you were in Mexico. Wait until October.

Gemini (May 21-June 20) There's free art everywhere! Walk to the park. If you don't find something someone else has created just so that you can see it by the time you're there, I'll eat my soup can.

Cancer (June 21-July 22) Remembering how you got to where you are is a thought process best reserved for either a candlelit evening of quiet introspection or a damp three-mile hike to work because the MAX line is still out.
