HOROSCOPES

By Soup Can Sam, staff astrologist

Scorpio (Oct. 23-Nov. 21)

In the land of Ferris wheels, what comes around, goes around.

Sagittarius (Nov. 22-Dec. 21) Contrary to what that hack at the mall told you, your "chart" for November does not advocate for chicken pot pies.

Capricorn (Dec. 22-Jan. 19) Lucky numbers are for entertainment purposes only, like 27, for

example, which is a riot after a few beers!

Aquarius (Jan. 20-Feb. 18) Don't let your fleeting feelings of lost affection stand in your way of a great night's sleep on the couch.

Pisces (Feb. 19-March 20) Stock up on tubes of comic relief. It's the salve that heals all wounds!

Aries (March 21-April 19) Eschew other people's responsibilities. They've got it. You don't need to.

Taurus (April 20-May 20) You're word for November is gamulous. Your color is tweed.

Gemini (May 21-June 20) Pattern your tomorrows on yesterday's inspiration.

Cancer (June 21-July 22) You are a person of more than limited potential.

Leo (July 23-Aug. 22) Sing loudly and abundantly.

Virgo (Aug. 23-Sept. 22) You may only die once, but you can be reborn over and over again.

Libra (Sept. 23-Oct. 22) Be careful of questions that are custom-made to hook a wrong answer.
