HOROSCOPES

By Soup Can Sam, staff astrologist

Sagittarius (Nov. 22-Dec. 21) The only place singing "Let It Go" should be allowed is in a shower very, very, very far away from Soup Can Sam.

Capricorn (Dec. 22-Jan. 19) Receiving recycled Christmas gifts for your birthday doesn't mean that people love you any less. They are just cheap.

Aquarius (Jan. 20-Feb. 18) Caution – your workload is about double. Kick back with a bottle of gin and enjoy the ride. What? You don't like gin? You will soon enough.

Pisces (Feb. 19-March 20) You are the Leslie Knope to my Ron Swanson.

Aries (March 21-April 19) Your world is changing fast – check back in the next edition to find out where you are headed.

Taurus (April 20-May 20) Listen up, Chicken Little – the sky is not falling, so you can stop running around in a panic.

Gemini (May 21-June 20) Anyone who says it is better to give than receive has never pulled in the bounty you are about to.

Cancer (June 21-July 22) Don't forget your bike light. It is dark out there this time of year. It's also easy to forget things.

Leo (July 23-Aug. 22) Life is a marathon, not a sprint. Either way, it's hell on your knees.

Virgo (Aug. 23-Sept. 22) Remember, coronary disease is directly related to the amount of vegetables you eat.

Libra (Sept. 23-Oct. 22) Continue on continuing on.

Scorpio (Oct. 23-Nov. 21) Never forget that your dog thinks you are awesome.
