VENDOR PROFILE

Willie Bradford

Longtime vendor and 2013 Street Roots vendor of the year Willie Bradford has his own apartment after experiencing more than a month of housing insecurity. Street Roots is grateful to the team at Northwest Pilot Project for working with Willie to secure a lease.

"It feels wonderful," Willie says about having his own set of keys. "It's a lifeline thing. Having housing is awesome. It's the best feeling in the world to have a place of your own. I'm grateful to the entire Street Roots team and all those folks at Northwest Pilot Project for helping me get back inside."

Congratulate Willie and pick up a copy of Street Roots outside Central Library most days of the week, or on Saturdays at the Portland Farmers Market at Portland State University.
