

*When families can afford their rent, their kids
can succeed in school, parents can advance in the
workplace, and everyone stays healthier.*

**BUT 4 IN 10 FAMILIES CAN'T FIND HOUSING THEY
CAN AFFORD.**

**WE LACK
40,000 AFFORDABLE
APARTMENTS FOR FAMILIES IN
THE PORTLAND AREA.**

WE CAN DO BETTER! We can *end homelessness* with affordable housing. We can invest in our community to make sure all families have the chance to succeed.
