

Meanings

by Elizabeth Eckstrom

Meanings are found
it seems only in contrasts, in extremes
Such as
Night and Day
Wet or Dry
Black and White
Even Gray when used
to describe a day
its contrast is a sunny one
Dull or Bright
Big and Small
All are labels placed to
Categorize

I Know

by Arianna Myers

I know you're standing there
But I'm so far away
I'm starving for your attention
I miss you calling my name
You're going through so much
And I wish I could be the one
To hold you close
Every single day I find it
Hard to say
I'm yours to hold

As the World Fell

by Daniel Cox

As the world fell we painted, the night sky with fire
a flame even the gods witnessed with fear.
We fell to our own end, as our finite soul died among the stars
it ignited a fire that from the ashes came life, renewed with vigor, love ignored, the force of survival
generated with desire forged anew
Highway to hell full of good intentions from the mud to the stars is our newfound path.
In the universe of chaos, this will be witnessed, as our victory.
