...newspaper will make for better communication and
...as a... grateful that this is happening."
...posed to when I was homeless. Street Roots allows me to act
...able to utilize more resources and
...be doing tomorrow." "Street
Roots gives us a sense of structure and stability. It helps
us to communicate with the community to get to know the
community, and it makes us feel like we're part of the
community." Street Roots saved my life
out there. It put money
in my pocket for the little things to do." "Street
Roots allowed me to see kindness in
other people."
