

Street Roots is weekly! You can be monthly!

"Street Roots gives us a sense of structure and stability. It helps us to communicate with the community, get to know the community, makes us feel like we're part of the community."

-Frank and Tiffany Quiroga

This May, all recurring donations to Street Roots will be matched by a generous donor!

Your support of weekly publication means...

- Empowering more than 300 homeless and low-income individuals to secure immediate and basic needs each year with a stable income every week.
- Maintaining a path to self-sufficiency, including skill development and resume building – while fostering self-respect and a sense of personal worth.
- Supporting our award-winning journalism and commentary, including voices from the streets, each and every week.

Did you know? Since going to a weekly publication in January, sales of the newspaper have increased 56%. Your donation makes that possible!
