

Birds

By Cactus

Go outside
Look in a tree
and try to find
a birds nest
Are there any
fledglings
in it chirping and
flapping
Rolling around with
their mouths
Open waiting for
Mama and Daddy birds
To regurgitate half
digested bugs out
to eat
Pushing each other
out of the nest
Just to get more
half-digested bug.
Maturing into Mama
and Daddy birds
Dying, turning into
half digested bug;
Baby birds are eating

FRIENDS ON TURF

Vendor Willie Bradford made sure to capture the moment in celebrating Multnomah County librarian Jayne Freshour's retirement. Willie knows Jayne from his work selling Street Roots outside the Central Library.

"She's a beautiful person. she likes to help people, especially people who are homeless, down and out on their luck."

- WILLIE BRADFORD

CORRECTIONS

In the story "Sweet opportunity" about the Cully neighborhood, (Street Roots, Oct. 2) we incorrectly listed NAYA as a partner in purchasing the Sugar Shack building. Habitat for Humanity was the group that purchased the building along with Verde and Hacienda. Also, Habitat for Humanity is a Living Cully partner.

Street Roots strives to correct errors in our paper whenever possible. Please report any errors to our managing editor, Joanne Zuhl, at 503-228-5657, or write to joanne@streetroots.org
